

Deciduous Forest Animals Workbook

A printable AnimalSake activity pack

Name: _____

Four Seasons in the Forest

Deciduous trees change through the year.

Spring

New leaves grow.
Birds nest.
Young animals are born.

Summer

Leaves make shade.
Insects, berries, and
seeds feed animals.

Autumn

Leaves change color
and fall.
Acorns and nuts
become important food.

Winter

Trees are bare.
Animals use dens,
nests, stored food,
and thick coats.
