Quiz

# Octopus Super Skills

An octopus is a soft-bodied ocean animal with amazing survival tricks.

## Eight arms

Octopuses use their arms to crawl, explore, and grip.

## Suckers

Suckers help hold food and feel surfaces.

## Camouflage

An octopus can change color and texture.

## Ink

A dark ink cloud can confuse predators.

## Quick Words

**Cephalopod:** an ocean animal like an octopus or squid

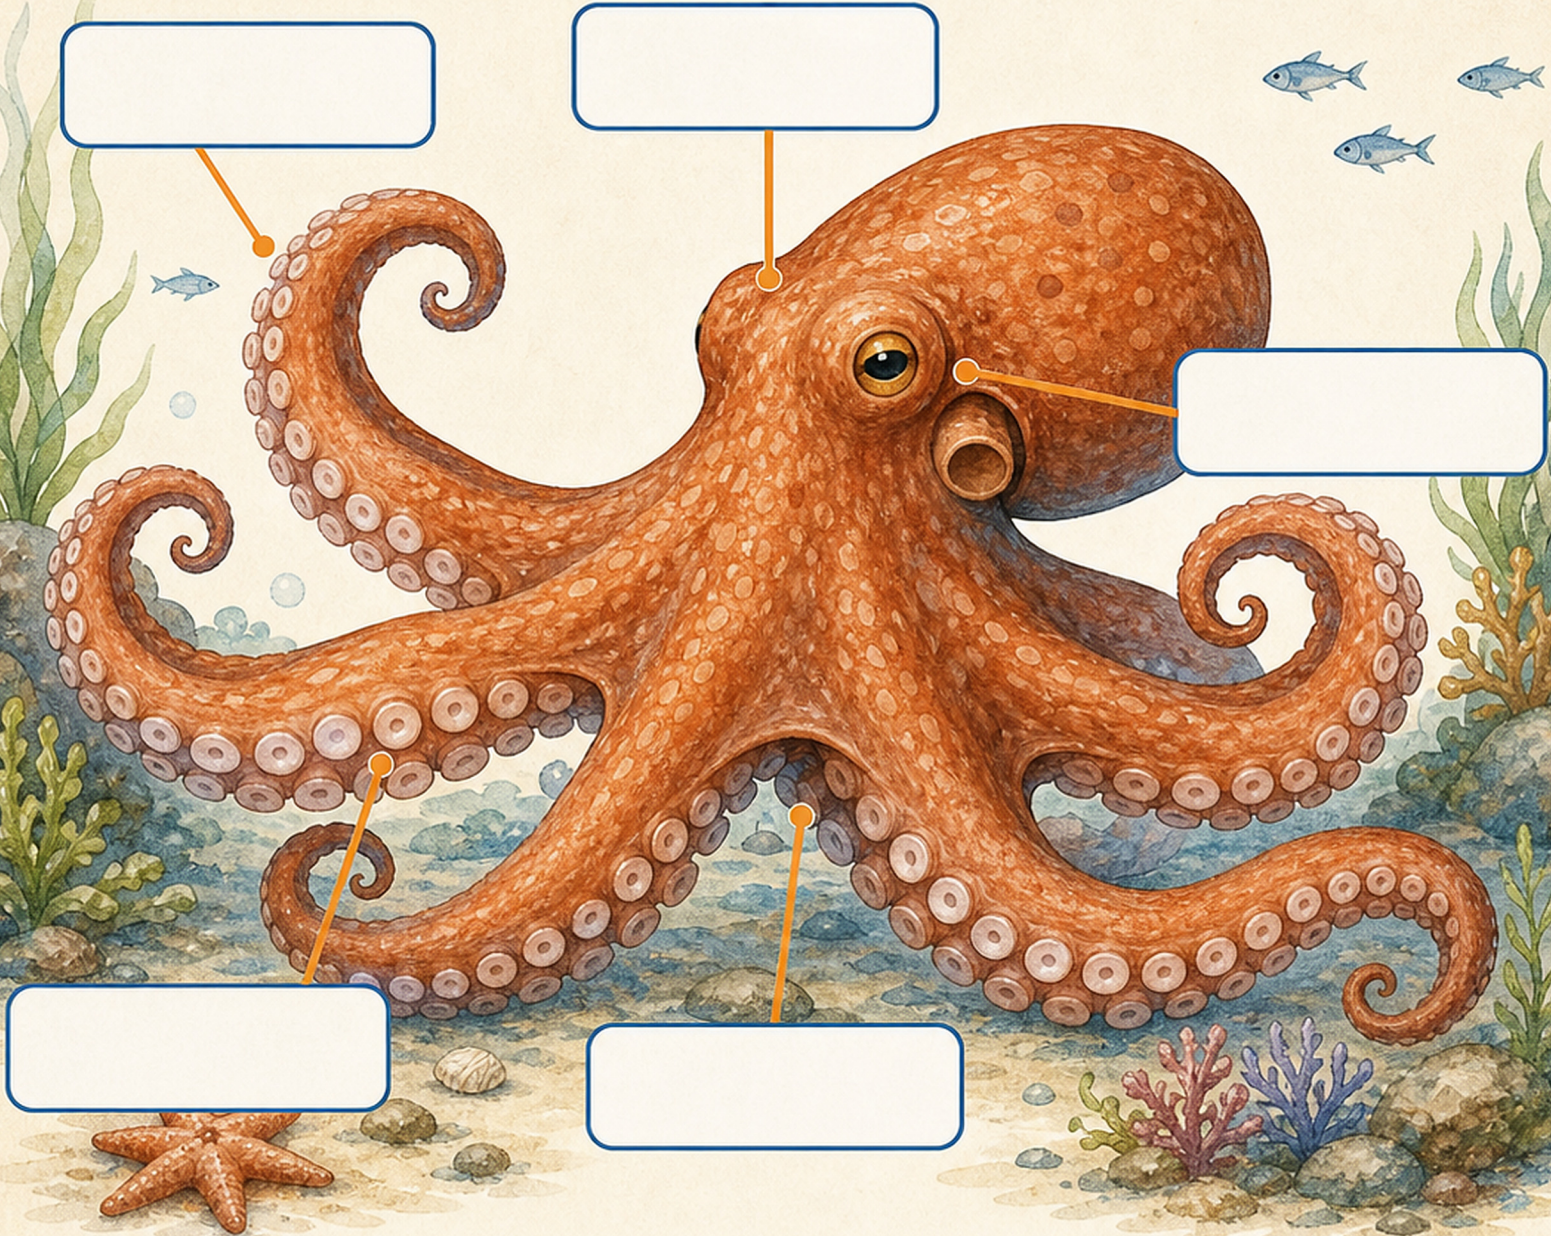

**Camouflage:** colors or shapes that hide an animal

**Predator:** an animal that hunts other animals

# Label the Octopus

Use the word bank to label the body parts.

## Word Bank

arm

sucker

eye

mantle

beak

An octopus uses suckers to grip and feel.
